Re-Empowering "The Village" (REV) Program of South Bay Community Church is lead in partnership by the leaders of the Youth Ministry and the Active Seniors Adult Ministry. The Program is open to all individuals age 11+.

The REV Program encourages people to connect with others on a personal level and build strong, trusting relationships that motivate and guide them toward their future and desired goals.

Our goal is to provide the opportunity, tools, training that build intergenerational relationships by pairing individuals from one generation with a person from a different generation fostering mutual learning and growth.

Benefits of the program will be to encourage and support lasting relationships through:

- Academic support
- School to career guidance
- Life skills development
- Practical skills development
- Personal Interest Skills
- Emotional Support
- Spiritual Support
